**Newsletter** from and for Gillissenvaarders

No. 9, October 2022

---

---

The aim of our newsletters is to stimulate the contacts between Gillissenvaarders

### From our chairman

All those present at the Whitsun event in the month of June enjoyed it very much. The IJsseldelta Marina in Hattem was the right spot and the weather was perfect. However one of the participants, mr. Ed Kranenburg, died all of a sudden a few weeks after the event. A very sad situation.

The board still have stainless steel 'Gillissen' plaques available, to order please mail to [bestuur@gillissenvaarders.nl](mailto:bestuur@gillissenvaarders.nl)

The spring event of the Gillissenvaarders will be on 29 of October in Sliedrecht.

The editor of these newsletters needs help and stories, please respond to [nieuwsbrief@gillissenvaarders.nl](mailto:nieuwsbrief@gillissenvaarders.nl)

The resignation of the present board will be in May next year. Candidates can respond to the chairman.

Regards,

Wout Kraaijeveld

chairman

The present board of the Gillissenvaarders

### Whitsun event

Finally the annual Gillissenvaarders Whitsun event could take place this year after two years of Covid-19 restrictions. Some members arrived on Wednesday and Thursday, but most of the

participants arrived at the IJsseldelta Marina on Friday June 3th. The event started with 'jetty-drinks' and the chairman welcomed all and especially the new members. Saturday morning there was a guided walk around the beautiful town of Hattem and that night the members enjoyed a nice and cosy dinner in a local restaurant. And then Sunday morning the closing ceremony already after which most yachts left the marina.

Again it was a successful event!

### **In Memoriam**

Our member mr. Ed Kranenburg passed away in July while on board with his wife Fliesta on their Gillissen steenvlet near Berlin. Ed was a cosy and remarkable man who participated in the Gillissenvaarders events and contributed to these newsletter from to beginning. We will miss Ed and we wish his wife all the necessary strength.

### **MY Johanna**

Mieke and Martin Droog are cruising for many years already several European waterways with their Gillissen S-spant motoryacht Johanna.

### **Spring event**

The next Gillissen event will be on 29 October this year in the National Dredging Museum in Sliedrecht. For information or to sign up please contact [bestuur@gillissenvaarders.nl](mailto:bestuur@gillissenvaarders.nl)

### **Disclaimer**

In case you don't want to receive the newsletters, please inform the board of the Gillissenvaarders by mail. The board is not responsible for mistakes etc. in this newsletter.
